I am an ADA at the Wareham District Court. I am prosecuting the above-referenced defendant for Possession with Intent to Distribute Class B Substance. I was wondering if I could get a copy of your lab notes to provide to defense counsel for trial. The drug certificate number is [REDACTED]. The case is scheduled for trial on July 19, 2011, and a copy of your summons was faxed to your office today.

If you have any questions please feel free to contact me.

Thank you,
